

QUALITY, ENVIRONMENTAL, SAFETY & HEALTH POLICY

Selangor Dredging Berhad (“SDB”) strives for excellence in all aspects of our operations.

SDB is committed to the **QUALITY** of our products, protection of the natural **ENVIRONMENT** and the **SAFETY & HEALTH** of staff and all the stakeholders.

SDB’s QESH policy reflects our dedication to maintaining the highest standards in Quality, Environment and Safety & Health to ensure the well-being of our employees, clients, community, and the environment.

1. To comply with all applicable acts, regulations, code of practices and other related requirements of Quality, Environmental, Safety & Health.
2. To continuously develop, review, update and improve our Quality, Environmental, Safety and Health Management System.
3. To provide safe and healthy working conditions for the prevention of occupational related fatalities, injuries, ill health and diseases.
4. To carry out our activities and deliver products with excellent Quality and less Environmental, Safety and Health impacts.
5. To continuously communicate and provide relevant trainings and information to our employees and stakeholders.

This policy will be reviewed periodically and updated as necessary to reflect changes in our operations, regulations, and industry best practices. We are committed to continual improvement in our QESH performance and to fostering a culture of excellence and responsibility.
